GRIFFIN POND animal shelter

The Humane Society of Lackawanna County

As a non-profit organization, Griffin Pond Animal Shelter does not receive any assistance from government agencies or subsidies from other institutions. We are completely dependent on you and grateful for your support!

As you know, animal care can be very costly, and many of the animals that come to our shelter require advanced medical intervention. Because

of your help, we can always provide our shelter pets with whatever care they need, whenever they need it!

Listed below are several of the foods and items we continuously use. Providing animal care requires numerous supplies, and caring for more than 200 animals at the shelter each day requires an abundant amount of them!

Dog and Puppy Products Cat and Kitten Care

- canned dog and puppy food *
- dry dog and puppy food *
- dog treats
- dog toys

- cat litter/pellet litter
- canned cat and kitten food *
- dry cat and kitten food *
- cat toys

** The shelter welcomes any brand of dry or wet dog, puppy, cat, or kitten food. We prefer food which is brown, tan, or light brown colored. (Food with red or green dyes can cause intestinal issues.) The shelter suggests Purina brand foods as a good option because they are low cost and do not contain dyes.*
